SAYS The Commoner: "President Roosevelt's vote in Missouri was only about 7,300 greater than the Republican vote four years ago (the increase being less than the normal increase in the Republican population) while the Democratic vote was nearly 55,000 less than it was in 1900. The gain made by the Populists and by the Socialists did not equal the falling off in the Democratic vote. Many Democrats stayed at home; they ought not to have done so, but they will be out two years from now and four years from now, and then the Republicans will have to take a back seat again. In the meantime Governor Folk will be at Jefferson City to prevent the Republicans from carrying off the State."

Croup

Begins with the symptoms of a common cold; there is chilliness, sneezing, sore throat, hot skin, quick pulse, hoarseness and impeded respiration. Give frequent small doses of Ballard's Horehound Syrup, (the child will cry for it) and at the first sign of a croupy cough, apply frequently Ballard's Snow Liniment to the throat.

Mrs. L. A. Vliet, New Castle, Colo., writes, March 19th, 1901: "I think Ballard's Horehound Syrup a wonderful remedy, and so pleasant." 25c, 50c and \$1.00. Sold by Arcadia Valley Drug Co.

CHURCH AND SCHOOL.

BY I. B. MANLY.

The different branches of Pres-
byterians have 332 churches in
Indiana.

The Southern Baptist have 180
churches, 353 missionaries, includ-
ing the unordained, and about 10-
000 members.

The church that does not spread
the gospel or believe in Christian
unity, belies its own name.

John R. Mott has succeeded in
establishing prayer bands in
nearly every university on both
sides of the Pacific ocean. There
are 50,000 university men and wo-
men enrolled for devotional study
of the Bible.

There are near 300,000 members
of the M. E. Church in Ohio. They
are doing a great work in the
North. Mr. F. A. Orter has been
Sunday School superintendent at
Cleveland for forty years.

The Woman's Home Missionary
Society of St. Louis conference,
M. E. Church, South, distributed,
last year, 4,150 garments and de-
livered \$1,111 worth of food to the
needy.

The young people's meetings of
the church are all right if con-
ducted in reverence and devotion,
but if not, they are all wrong, and
any social gathering would be just
as good and there would be no ap-
pearance of mockery.

When the "good Samaritan"
cared for the man who fell among
thieves there was not a hospital on
earth for the sick or wounded, but
now how many? Let the pessim-
ists, and the theories of the religion
of Christ answer.

There are 524 traveling preach-
ers of the M. E. Church, South,
and 106,000 members in Missouri.

Preachers and tobacco may go
together, but if they do they carry
a filthy mouth and a degrading
example.

The opportunity of the church is
to-day. The one to be helped by
it may be removed or dead to-
morrow. Then all that can be
said is, "it might have been."

Cut off all the bees' wings and
throw all the flowers of all the
world before them and they would
not make honey. Moral: People
might sit and listen to prayers and
sermons 'till doom's day and never
make any advancement in religion.
It must be worked at.

Afraid of Strong Medicines.

Many people suffer for years
from rheumatic pains, and prefer
to do so rather than take the strong
medicines usually given for rheu-
matism, not knowing that quick
relief may be had simply by ap-
plying Chamberlain's Pain Balm
and without taking any medicine
internally. Rev. Amos Parker of
Magnolia, North Carolina, suffered
for eight years with a lame hip,
due to severe rheumatic pains. He
has been permanently cured by
the free application of Chamber-
lain's Pain Balm. For sale by
Arcadia Valley Drug Co.

St. Paul's Rectory.

For various reasons it has been
thought advisable to make public
the cost of the rectory of St. Paul's
Episcopal Church.

I have in my possession the con-
tract made by the church com-
mittee with Mr. Buckley. I have
also a complete statement from the
Iron County Bank, whose cashier,
Mr. Ringo, kindly acted as treas-
urer of the committee who had
charge of the construction of said
building. I have, in addition to
these, the vouchers and receipts
for every cent that was paid out.
These papers bring to light three
facts:

First, that the members of the
committee were altogether honest
in their work, and did as well as
they could with the funds at their
disposal.

Second, that Mr. Buckley, the
contractor, was generous in his
dealings with the committee and
made, at its request, a few ex-
pensive changes in the original
plan without extra charge therefor.

Third, the largest individual
contributor to the rectory fund
served as an active member of the
committee; while another active
member of the same committee
made, in addition to a monetary
contribution, some substantial do-
nations that do not appear on the
records.

To any individual who has had
anything to do with the construc-
tion of St. Paul's rectory, either by
serving in some official capacity or
by making a contribution, I shall
be glad to show these papers on
request.

MONEY RECEIVED FROM ALL SOURCES.

tertainments, (c) Loan, (d) Six
months' advance rent from rectory \$1487 93

Balance..... 00

With the consent of the com-
mittee this balance was annihila-
ted. There is, however, on de-
posit at the bank the sum of one
dollar for the reduction of the
debt on the rectory, and it is
hoped that the members of St.
Paul's church and the friends
thereof will generously add to this
fund from time to time.

Respectfully,
HANSON A. STOWELL,
Priest in charge St. Paul's Church.

The Grip.

"Before we can sympathize with
others, we must have suffered our-
selves." No one can describe to
you the suffering attending an at-
tack of the grip, unless you have
had the actual experience. There
is probably no disease that causes
so much physical and mental ag-
ony, or which so successfully de-
fies medical aid. All danger from
the grip, however, may be avoided
by the prompt use of Chamber-
lain's Cough Remedy. Among
the tens of thousands who have
used this remedy, not one case has
ever been reported that has result-
ed in pneumonia or that has not
recovered. For sale by Arcadia

In Memoriam.

Mr. Richard Payne died at Fred-
ericktown last Wednesday night,
February 1, 1905, with neuralgia
of the heart, this being the cul-
mination of a long term of sick-
ness.

He was well known at Ironton,
especially so in Masonic and edu-
cational circles, for he had resided
in this county over a quarter of a
century, and fifteen years of that
time had been devoted to school
teaching.

Mr. Payne was born in England
during the year 1833. While a
young man he moved to Ireland,
and there, in 1857, he married Miss
Digby, of Belfast. Five years
later they came to America, mak-
ing their home in Canada at first
and removing thence to St. Louis
in 1867. In that city Mr. Payne
secured a prominent and profit-
able position with a then flourish-
ing wholesale house, and retained
it until the firm failed, when he
came down to Iron county and
settled on a farm which he had
purchased. About a year ago he
went to Fredericktown.

IRONTON, MISSOURI.

Closing Out Sale.

I am now Selling Out all my Well Located

Butler & Iron Co., Mo., Properties

AT GREATLY SACRIFICED PRICES AND ON EASY TERMS.

My properties in Butler County consist of many vacant and some
nicely improved lots in Poplar Bluff and Harviell, one Two-Story 22-
Room Hotel, one Saloon Building, and one Store Building, located be-
tween Frisco and St. L. I. M. & S. stations in the town of Harviell;
also Wild Lands and numerous Farms, in tracts of 40 acres and up.
My farm lands, both up-lands and bottoms, have a fertile soil well
adapted to the growth of clover and other grasses, also wheat, oats
corn and potatoes, as well as all other farm products raised in South
east Missouri. They are all located within one-half to six miles of
town and two trunk lines of railroad, the St. L. I. M. & S. R'y and the
Frisco system, some of them adjoining the right of way of each rail-
road. They are situated in good healthy settlements, within easy
reach of school houses and churches, and the best of water being ac-
cessible at minimum cost. I have lived in Butler county over a quar-
ter of a century enjoying good health and prosperity, and during these
years I have had chances to select the garden spots of the county. I
am also offering for sale several improved and a number of vacant lots
and a Three-Story 25-Room Hotel in the beautiful Arcadia Valley, all
located in Arcadia, Iron County, Mo. The only hotel in the town, and
is just a few steps from the railroad station and has a good patronage.
My motive for selling is my desire to retire from business, and will
not therefore hesitate to give any one wishing to invest a good bargain
on any of the above properties.

For prices and terms address

The Mangold Stave & Lumber Co., Harviell, Mo.

Or, The Poplar Bluff Land & Abstract Co., Poplar Bluff, Mo.

In St. Paul's Episcopal church, of
which organization he was a loyal
communicant. The local Masonic
fraternity was in attendance and
at the grave the impressive last
rites of Masonry were observed.

Mr. Payne was survived by a
widow and the five orphaned chil-
dren of their daughter, and only
child, the late Mrs. Sutton, of Ar-
cadia Valley. Among the pathetic
features of this sad event is the
fact that but a few months ago
Mr. Payne had been appointed the
guardian of those orphans and had
taken them into his own home.
The property of the children is
not extensive and, as four of them
are too young to do anything to-
ward self support, the burden up-
on the aged widow and their six-
teen year old brother will be, tem-
porarily at least, a heavy one.
